

# Community of practice on MSP for the MED

## Topic-based analysis

---

WESTMED STAKEHOLDER CONFERENCE

MALTA - 22 JUNE 2023

## 2 priority topics of interest

SBE / MSP

MPA / MSP

## Objectives of the topic-based analysis

Many different experiences to draw on from past or ongoing MSP related projects or from various national or local planning initiatives

⇒ Overview elaborated through the project-based analysis

### Objectives of the topic-based analysis

- Identify Key challenges in Mediterranean countries
- Point at solutions potentially brought by MSP implementation
- To build recommendations

## 2-steps analysis

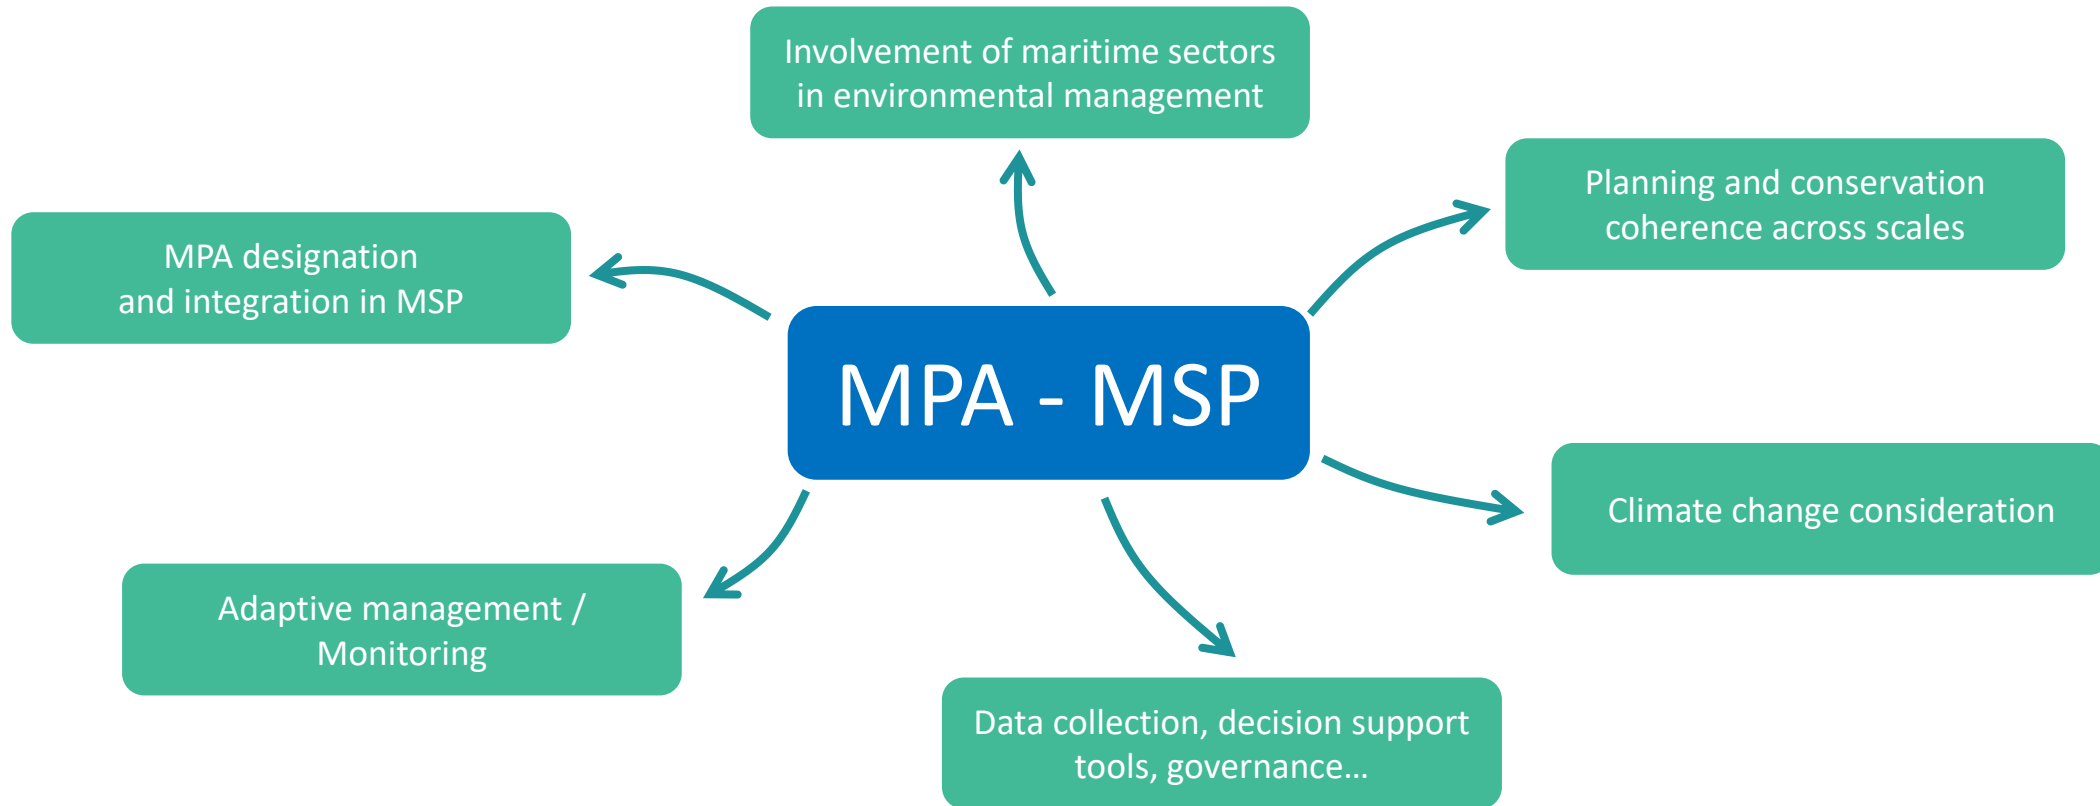

- 1/ Identification and prioritization of specific “**subtopics**” and related “**key questions**”
- 2/ Identification of potential “**solutions**” and development of recommendations (built on experiences from MSP projects or initiatives)

← 2 online workshops  
(30.05 and 05.06 2023)

← Malta workshop
