

Monday October 16th, 09:00

AGENDA

09:00 - 09:10

Welcoming Words & Introduction to the agenda

09:10 - 09:30

Plenary Session

09:30 - 10:40

Breakout Session

Breakout Room 1: Given current technology readiness and existing research and innovation efforts, will we achieve a fossil fuel free Blue Economy by 2050?

Breakout Room 2: Beyond the technology, what more should we be doing to support the transition to a fossil fuel free blue economy?

Breakout Room 3: Who should pay for the transition to a fossil fuel free Blue Economy?

How do we ensure a fair energy transition for all activities/stakeholders?

Breakout Room 4: What is expected of public authorities (national, regional, local and European) in supporting the energy transition of maritime sectors and communities?

10:40 - 11:00

Brief Break

11:00 - 12:45

Feedback Session

An opportunity for the facilitator of each room to present the key statements and summary of each breakout room, as well as opening the questions up to all participants.

12:45 - 13:00

Closing Words
