

Webinars of the MED-MSP-CoP

The MED-MSP-CoP organises a series of technical Webinars to:

- Disseminate valuable practices on MSP in the Mediterranean and neighbouring seas
- Illustrate how such experiences tackle some of the key challenges addressed by the MED-MSP-CoP, including “MSP for MPAs” and “MSP as a key enabler for SBE strategies and initiatives”
- Provide a regular opportunity for an open discussion on MSP-related issues of common interest for the MED-MSP-CoP experts
- Invite other experts to participate in the discussion and more in general to join the MED-MSP-CoP.

If you are not a MED-MSP-CoP member and would like to participate in the Webinars, please get in touch with us at info@maritime-spatial-planning.ec.europa.eu.
