The county plan of the maritime area bordering Pärnu County (EE)		●			●	●				●	●	●	●	

¹ Spatial plans of the seven Croatian coastal counties include provisions for their marine areas, up to the external limit of the territorial sea. These provisions also deal with locations of different marine uses. The Zadar County Spatial Plan is provided as an example of existing plans at the county level. Existing spatial plans will be rechecked and restructured in the process of transition to the new generation plans according to the actual Physical planning Act.
