Project screening methodology

27TH APRIL 2023, MED-MSP-COP MEETING

Topic-based project description

- Don't worry, it is **not a duplication** of already existing databases (i.e. EU MSP Platform, MSPglobal) but will build on them.
 - It is topic & context-driven (Mediterranean)
 - Based on expert knowledge, beyond published deliverables.
 - It shall also include formal processes, guidelines, recommendations and cooperation processes on MSP
 - It will focus on methods and expected outputs related to the topics of interest for the CoP.

So, how do we do it?

3 step process

1. Fill in the information in the log-book

Who? **Please, if you are more than one, try to coordinate yourselves.**

What project?

When?

Take note of the ID of your entry

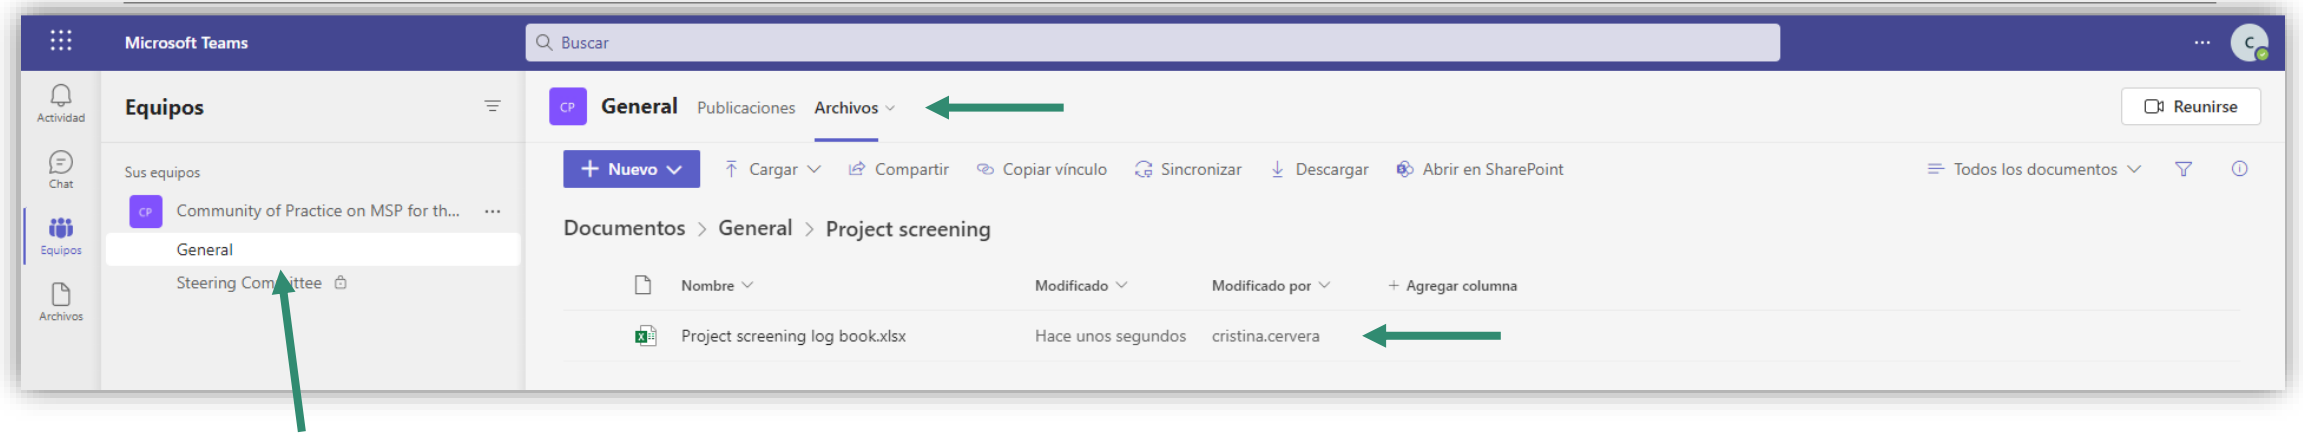

2. Conduct the screening

Fill in the form indicating the ID from the log-book

3. Update the log book

Indicate that you have completed the screening of the project and whether you have done it in coordination with others.

1. Fill-in the information in the log book

Either that, or you go directly to:

<https://aets.sharepoint.com/:x:/r/sites/CommunityofPracticeonMSPfortheMED/Documents%20partages/General/Project%20screening/Project%20screening%20log%20book.xlsx?d=w10740ce33dc647a987e965bbfa2ac831&csf=1&web=1&e=wePiSf>

Either way, you will have to be log-in in Teams.

1. Fill-in the information in the log book

Project /initiative screening logbook

Hello, this logbook is meant to keep track of who is screening each project/initiative so we don't duplicate and overlap. The screening is going to be conducted through a survey form to ease the collection of the information. The link to access this form is the following:
<https://forms.gle/MhkKxB2MEmRGtPnR7>

Please include in the table below for what project/initiative you are going to fill in this form, so we can all be aware and keep track of the work. If you consider that someone else could complement your screening of the same project, please specify so (and the name of the person if the case) in the "comments" column. **Once you have introduced here the information, please provide the ID of the entry in when completing the form (link above).**

| ID | PROJECT/INITIATIVE | NAME OF THE PERSON CONDUCTING THE SCREENING | EMAIL | WHEN DO YOU PLAN TO DO IT? | IS IT COMPLETED? | COMMENTS |
|----|--------------------|---|-------|----------------------------|------------------|----------|
| 1 | | | | | | |
| 2 | | | | | | |
| 3 | | | | | | |
| 4 | | | | | | |
| 5 | | | | | | |
| 6 | | | | | | |
| 7 | | | | | | |

Take note of this number, you will be asked for it in the next step

2. Conduct the screening

CALL FOR EXPERTS TO BE PART OF THE MSP COMMUNITY OF PRACTICE IN THE MEDITERRANEAN (MED-MSP-CoP)

MED-MSP-CoP : Project Screening

Thank you for accepting being part of the MED- MSP-CoP and for participating in this first exercise on project screening. This form is meant to collect your knowledge about MSP-related projects and initiatives focused on the Mediterranean Sea and specifically on the topics selected for the first year activities of the MED-MSP-CoP. Consider that the form shall be filled for a single project or initiative; in case you would like to contribute with more projects or initiatives, please complete the template more times.

Information collected through this form will feed the consequent topic-based analysis, aiming at identify major needs and assess whether and how mapped projects and initiatives respond to these needs. Outcome of both analyses will be finally used to develop recommendations to overcome persistent gaps and advance on the two MSP-related topics. Please refer to the Action Plan for more information

Please refer to the [Action Plan](#) for more information.

PERSONAL & LOG BOOK DETAILS

Please provide us with your details so we are aware of who is providing this information in case clarifications are needed.

Name and surname *

ASDF

ID for this entry in the log book (Please if you haven't done so, first register this entry in the log book in Teams, "link to be included") *

Your answer

Back Next Page 2 of 7 Clear form

Practical information

2. Conduct the screening

General information of the project/initiative

GENERAL DESCRIPTION OF THE PROJECT/INITIATIVE

In this section we ask you to give basic information about the project/initiative answering the following questions. Please note that "initiatives" refer to any relevant activity which is not part of a project (e.g. a formal MSP process or the elaboration of guidelines)

Name of the project/ initiative *

asd

Acronym of the project /initiative

Your answer

Website of the project /initiative *

Official site or, if not available, repository compiling the results of the project.

ads

Spatial scope of the project/ initiative *

Shortly describe the area the project/initiative refers to; examples: jurisdictional marine waters of countries, entire sea basin, or marine waters of regional competence

adsf

Main topic(s) of research *

Multiple choice

Please use as much as possible the predefined values, you can include more details in the short abstract field.

- MSP in general
- MSP and EBM
- MSP and EGD
- MSP and IZCM
- MSP and MPAs
- MSP and CC
- MSP and Blue Economy
- MSP and Stakeholder Engagement
- MSP and Capacity Building
- Transboundary cooperation in MSP
- Governance in MSP
- Data and tools for MSP
- Other: _____

Short abstract *

Max. 100 words describing main objectives and outputs of the project.

Your answer

Funding programme

Your answer

Institutions /Authors *

Identify the coordinator (name, surname, affiliation and possibly contacts) in case of projects. In case of initiatives (e.g. guidelines) other than project, please identify the main contacts person/author (name, surname, affiliation and possibly contacts)

Your answer

Timeframe *

Starting and ending month and year of a project or initiative.

Your answer

Status of the project/initiative implementation *

- Preparatory
- Partially implemented
- Completed

2. Conduct the screening

APPROACHES DEVELOPED

This section refers to the characteristics of the activities developed in the project /initiative.

Sector(s) considered *

Multiple choice

- Fishing
- Aquaculture (both finfish and shellfish)
- Coastal and maritime tourism
- Recreation
- Maritime transport
- Port activities
- Shipbuilding and repair
- Offshore renewable energy
- Oil and gas
- Cables and pipelines
- Maritime defence
- Marine aggregates (sand extraction for beach nourishment or construction)
- Deep sea mining
- Nature protection and restoration
- Landscape protection
- Underwater Cultural Heritage protection
- Scientific research
- Coastal protection
- Marine industry (e.g. Blue bioeconomy and biotechnology)
- Multi-sector (in case the project/initiative does not focus on specific sectors)
- Other: _____

Governance level considered

Multiple choice

- Local
- Sub-national
- National
- Regional
- Transboundary

Methods used to reach project's objectives

Multiple choice

- Desk analysis
- GIS analysis
- Stakeholder engagement
- Experts consultations
- Workshops
- Other: _____

Select the topic(s) among the two pre-identified of the CoP activity of year 1 * that is o are more related to the project/initiative

- MSP as key enabler for the implementation of national Sustainable Blue Economy (SBE) strategies and initiatives, through the adoption of an integrated approach and towards the balanced distribution of benefits
- MSP supporting the extension, improved management and improved connection of Marine Protected Areas and Other Effective Area-based Conservation Measures in the Mediterranean, towards the targets set at the international and EU level on marine biodiversity protection.

Approaches developed

2. Conduct the screening

Please provide more specific information about the topic or topics you have selected. [Topic MSP & SBE.](#)

MSP as key enabler for the implementation of national Sustainable Blue Economy (SBE) strategies/initiatives through the adoption of an integrated approach and towards the just distribution of benefits.

Please fill in the information for each of the activities in the project/Initiative related to the topic

For more information on the topic please refer to the [Action plan](#)

Related activity 1
Identify the activity (work package, task, process, etc) of the project/initiative contributing to the selected topic

kjbxckJHD

Contact person in charge of the activity 1 to be contacted for more information

ASDF

(Expected) output(s) of activity 1
Brief description of the outputs of the above mentioned activity

ASD

Link to information source for activity 1

ASDF

Please provide more specific information about the topic or topics you have selected. [Topic MSP & MPAs.](#)

MSP supporting the extension, improved management and improved connection of Marine Protected Areas and Other Effective Area-based Conservation Measures in the Mediterranean towards the targets set at the international and EU level on marine biodiversity protection.

Please fill in the information for each of the activities in the project/Initiative related to the topic

For more information on the topic please refer to the [Action plan](#)

Related activity 1
Identify the activity (work package, task, process, etc) of the project/initiative contributing to the selected topic

ASD

Contact person in charge of the activity 1 to be contacted for more information

ASDF

(Expected) output(s) of activity 1
Brief description of the outputs of the above mentioned activity

ASDF

Link to information source 1

ASDF

Relation with the 2 topics of interest

These fields can be completed for up to 3 different activities

2. Update the log book

OBSERVATIONS

Provide any other information you feel relevant for the work to be carried out in the MED-MSP-CoP, including any comment on the survey itself and how it might be improved.

Please remember to update the log book in : *include link*

Comments

Your answer

Please provide any comment you feel relevant (i.e. if you conducted the screening in coordination with others)

1 **Project /initiative screening logbook**

Hello, this logbook is meant to keep track of who is screening each project/initiative so we don't duplicate and overlap. The screening is going to be conducted through a survey form to ease the collection of the information. The link to access this form is the following:
<https://forms.gle/MhkKxB2MErRGtPnR7>

Please include in the table below for what project/initiative you are going to fill in this form, so we can all be aware and keep track of the work. If you consider that someone else could complement your screening of the same project, please specify so (and the name of the person if the case) in the "comments" column. **Once you have introduce here the information, please provide the ID of the entry in when completing the form (link above).**

| ID | PROJECT/INITIATIVE | NAME OF THE PERSON CONDUCTING THE SCREENING | EMAIL | WHEN DO YOU PLAN TO DO IT | IS IT COMPLETED? | COMMENTS |
|----|--------------------|---|-------|---------------------------|------------------|----------|
| 1 | | | | | | |
| 2 | | | | | | |
| 3 | | | | | | |
| 4 | | | | | | |
| 5 | | | | | | |
| 6 | | | | | | |
| 7 | | | | | | |
| 8 | | | | | | |
| 9 | | | | | | |
| 10 | | | | | | |
| 11 | | | | | | |

Take away messages

- *It is not a very demanding work but it will give us a very good picture of what is happening and how it relates to our topics of interest*
- This preliminary mapping should be focused in projects with **scope of action in the Med** and clear **links to the topics** of interest
- Expected contribution : **1-2 projects by expert**

Deadline : 31st May 2023

Thank you!

CRISTINA CERVERA-NÚÑEZ, on behalf of the Coordination Team
